Litter Pick Success

Our thanks to all those people who took part in the Winter
litter pick. They managed to collect around 20 sacks of
rubbish thereby making Doxey look much more presentable.

Calling all Performers

This year Doxey players are looking at doing something completely different. We are considering a show highlighting the many performing talents of the people of Doxey. So if you, either as an individual or as part of a group: play an instrument, tell jokes, juggle, do magic, sing, dance, act, etc. then start thinking of what you could do to fill a spot. In the new year look out for details of how to audition and be ready to perform over the Easter holidays.

Good News for Doxey

As many of you will be aware St. Thomas and St. Andrew's Church hall is used for many community events and private functions and after more than 30 years of continuous use required a lot of work doing on it. Now, thanks to a generous grant from Staffordshire Environmental Fund, the hall lights have been replaced and the floor repaired and recarpeted. Work has also been done refurbishing the lavatories to a high standard and creating dedicated disabled facilities. Add to this the earlier work done on the kitchen and the community now has access to a very good facility. The continued support of the Church for community events is greatly appreciated and our thanks go to all those who worked so hard to complete this project. I would particularly like to thank the Rev. Paul Thomas for driving this project forward and John and Susan Corcoran for dealing with the day to day challenges thrown up by a project of this scale.

If you wish to hold an event in the hall please book it through **Ruth Bull Tel: 248665**
