'Fair Trade'

"Fair Trade" told the story of the Co-operative movement from its humble beginnings 160 years ago in Rochdale. Despite having done a full day's work the pioneers, a group of like minded workers, ran the shop in the evenings. The ethos was to trade fairly. Later came the idea of members sharing in the profits, the 'divvy'.

The group of actors making up Mikron maintained the high standard of acting and musicianship we have come to expect from this theatre group and the story moved along well to the appreciation of the large audience.

Review by Denise Peel

Please note the 'Mikron' will be back in the Autumn.

Doxey Bus Service

Discontent has been expressed to the Parish Council regarding the bus service provided by Arriva. In order to see if we are suffering a much poorer service than we deserve, we are asking you to log late or non arrivals of the bus.

Please record the date, due time, which direction you were travelling and final arrival time. Please keep this record until 30th June and then send to John Smith, 103 Doxey. The results of the survey and the actions taken will be reported in a later edition of The Doxey Times

Police Request

The police have requested that we report all illegal actions to them, (08453 30 20 10) even if we feel that there will be nothing they can do about it, as it enables them to build up a picture of incidents, spot trends and patterns and so can lead to prosecutions.
